Telling Your Story Workshop

November 9th 2023, 6PM-8PM
Whether you're fine tuning your ask or you want to learn to advocate for change. At the end of this session, you will know how to define and issue and advocate for policy and/or system change by drawing from personal experiences to make your point effectively and memorably.

Practice Your Pitch

November 13th 2023, 6PM-8PM
Finally! This is the time to practice telling your story in front of other advocates. You will receive the best feedback to help you refine your talking points to get your message across effectively and create change in your community.
